MASTER'S DEGREE REQUIREMENTS
SOCIOLOGY AND COMMUNITY AND ENVIRONMENTAL SOCIOLOGY
University of Wisconsin-Madison

Student Name__________________   Date______________________ Entry Sem/Year____________

(See Regulations Governing Graduate Study for complete details and for procedures on requesting waivers of specific requirements.)

24 credits in Sociology at UW-Madison, only 6 of which can be from a combination of research/training seminars (brownbags), Thesis (990) credits, or Reading and Research (999) credits. (Note: you can take as many of these courses as you want; past 6 credits they just don’t count toward the 24 required credits.) Courses such as 360 Statistics for Sociologists I that you may need to take as preparation for the higher level statistics courses do not count toward the 24-credit requirement. Required courses listed below count toward the 24credit total (if taken here).
